Timothy Toad

Can you imagine how a toad can be helpful to us? Read this story and see how a toad is helpful to Janet and her daddy.

One morning, Janet was riding her bicycle down the lane. Suddenly, she saw something crawling on the road. She got off her bicycle and went to see what it was. It was a big toad. His hind foot had been a squashed by a passing car.

Janet looked at him. She thought he wanted to speak to her. He gave a big croak and tried to crawl away, dragging his leg behind him.

“You’ll get run over by a car,” said Janet. She did not want to leave him there. So she took her handkerchief out of her pocket, wrapped the toad up in it and carefully put him on the side of the road. She watched him struggling to crawl. I must do something for his leg,” she thought. So she picked him up again in her handkerchief and carried him home.

Janet’s daddy looked at it and said, “Let’s put some ointment on it. That’ll help it to get better.”

When they had finished with him, he crawled away into the flowered in the garden.

“Will he eat flowers, Daddy?” asked Janet.

“No, he won’t.” said Daddy. “He likes an insect dinner.”

Janet looked for him the next day but couldn’t find him.

The next day, Daddy was upset because slugs had eaten all his lettuces. Janet and Daddy hunted for slugs and killed many. The next day, Daddy planted another row of lettuces. “if the slugs get at it again, I’ll give up. He said. He sprinkled soot all around it to keep off the slugs. But the rain washed off the soot. “I don’t think these lettuces will escape slugs, “he said.

But they did. Both Daddy and Janet were surprised. “Where have all the slugs gone?” said Daddy. That’s when Janet found a big toad behind a big lettuce. “It’s the same toad. Daddy Look! He’s eating all the slugs.”

“A toad is a good friend in the garden – he eats all kind of insects and love a meal of slugs. He has certainly saved our lettuces. “said Daddy.

“We were friends to him. And now he’s a friend to us! He’s saved our lettuce, “said Janet. “We’ll call him Timothy. Let him live here. “

Q1. Answer the following question:

1. What did Janet see on the road?

مل جل کر رہنا

بہت سال گزرے کسی گاؤں میں ایک کسان رہتا تھا۔ اُس کے چار بیٹے تھے۔ کسان کو اپنے بیٹوں سے بہت محبت تھی۔ وہ چاہتا تھا کہ جس طرح یہ چاروں بیٹے اُس کے سامنے آپس میں مل جل کر رہتے ہیں، اسی طرح اُس کے مرنے کے بعد بھی آپس میں اتفاق سے مل جل کر رہیں۔

ایک دن کسان بہت زیادہ بیمار ہوگا۔ اُس کو محسوس ہونے لگا کہ اب وہ دوبارہ صحت یاب نہیں ہوگا۔ ایک دن وہ اپنے بستر پر لیٹ کر اپنے بیٹوں کا انتظار کر رہا تھا۔ جب اُس کے چاروں بیٹے گھر واپس آگئے تو اُس نے سب کو اپنے پاس بلایا۔ سب بیٹے اُس کے پاس آکر بیٹھ گئے۔

بیمار کسان نے کہا: ”میرے بیٹو! میں آج تم سے ایک بہت ضروری بات کرنا چاہتا ہوں۔“

بیٹوں نے یک زبان ہو کر کہا: ”ابا جان! آپ بتائیے ہم سن رہے ہیں۔“

کسان نے اپنے بڑے بیٹے کو چند لکڑیاں اکٹھی کر کے لانے کے لیے کہا۔ بڑا بیٹا تھوڑی دیر میں لکڑیاں لے آیا۔

بیمار کسان نے چاروں بیٹوں کو ایک ایک لکڑی دی اور کہا ان کو توڑو۔ بیٹوں کو اپنے والد کی بات سمجھ نہ آئی۔ بہر حال

اپنے باپ کا حکم بجالاتے ہوئے انہوں نے اپنی اپنی لکڑیوں کو با آسانی توڑ دیا۔ اب کسان نے کچھ اور لکڑیاں لیں اور ان کو

اکٹھا کر کے اُوپر سے باندھ کر ایک گٹھا بنا لیا اور اپنے بیٹوں کو کہا کہ باری باری اسے توڑ کر دکھاؤ۔ سب لڑکوں نے باری باری

کوشش ک مگر کسی سے لکڑیوں کا گٹھا نہ ٹوٹ سکا۔ لڑکے پریشان تھے کہ آخر ماجرا کیا ہے۔ کمرے میں خاموشی چھائی ہوئی تھی۔

آخر کار کسان نے بیٹوں کو مخاطب کیا۔

”میرے بیٹو! تم نے دیکھا کہ تم سب نے اپنی اپنی لکڑی کو با آسانی توڑ لیا تھا مگر لکڑیوں کا گٹھا تم لوگ زور لگانے کے

باوجود توڑ نہ سکے۔ یہی حال تم لوگوں کا ہے۔ اگر تم سب مل کر پیار اور اتفاق سے رہو گے تو کوئی تمہارا مقابلہ نہ کر سکے گا اور اگر

تم لوگ الگ الگ رہو گے تو ان اکیلی لکڑیوں کی طرح توڑ دیئے جاؤ گے اور تم لوگوں کا وجود باقی نہیں رہے گا۔“

بیٹے اب اپنے باپ کی بات سمجھ چکے تھے۔ اُن کو اکٹھے اور مل جل کر رہنے کی برکت اور فوائد سمجھ میں آ گئے تھے۔ اُنہوں

نے اپنے باپ سے وعدہ کیا کہ ہم سب آپس میں مل جل کر رہیں گے اور کسی مشکل میں ایک دوسرے کا ساتھ نہیں چھوڑیں گے۔
